### “JUST CHECKING”

Town Hall has a program called “JUST CHECKING”. This program checks on our senior citizens, handicapped, and individuals with medical issues to make sure they are safe during extreme weather conditions.

We would now like to expand our list to include individuals that do not have access to a home computer or mobile device to check the internet for emergency notifications.

We need your help in establishing an accurate list. Please contact Town Hall at 834-4573 to register your name, phone number and emergency contact number if you would like to receive a phone call or visit during emergency situations. Hurricane season is upon us and the Winter will be here soon. We will be putting emergency information on our website, but for those of you that do not have internet access, this is a way for you to be in the know. Contact us now!

### HISTORIC PRESERVATION AND PLANNING COMMISSIONS

The Historic Preservation Commission (HPC) and the Planning Commission (PC) are both in need of new members. Mayor John Buchheit must appoint two new members to the HPC and three new members to the PC. Each term is for three years. The HPC meets on the first Tuesday of each month and the PC meets on the first Monday of each month. Please call Town Hall at 834-4573 or contact the Mayor if you are interested in serving.

### FOOD CLOSET

St. Paul’s R.C., First Presbyterian and Christ Episcopal Churches have formed an ecumenical Bread Broken Food Closet. Each Church will man the food closet for people with an emergency need for food. Starting in Sept, the food closet will be open on the 2nd and last Thurs of each month from 6:30-7:30 pm. Please see the sign on the door at Christ Church parish house at 3rd and Washington for more information.
