Section 26-42 Noise Measurement.

For the purpose of determining a noise disturbance, the noise shall be measured on the A-weighting scale on a sound level meter of standard design and quality having characteristics established by the American National Standards Institute (ANSI), or by a Code Enforcement Official, or designee, who determines that a noise unreasonably affects the quiet enjoyment of neighboring properties.

Section 26-43 Prohibited Noise.

A. It shall be unlawful to carry on the following activities in any residentially zoned area of the city or within three hundred (300) feet of any residentially occupied structure:

1. Operate a front-end loader for refuse collection between the hours of 9:00 p.m. and 7:00 a.m.
2. Operate construction machinery between the hours of 9:00 p.m. and 7:00 a.m.

5. Any noise that registers more than sixty (60) dB(A) at the nearest complainant's property line shall be probable cause for a violation.
B. Any sound that overweeningly encroaches upon the quiet enjoyment of a neighboring property, as determined by the Code Enforcement Officer, or designee, is prohibited.

C. This section shall not apply to emergency operations designed to protect the public health and safety.

Section 26-44. Exceptions and Special Waivers.

A. Application. The application for a permit to exceed the time-frame and levels under Section 26-43 shall be submitted to the Code Enforcement Officer at least fifteen (15) working days in advance of the planned use except in case of emergency. The application shall designate an individual person or persons who shall be in control of the sound amplification equipment and assure that its use complies with the terms of the permit.

B. Denial; exceptional permit. If an applicant has been denied a permit under this section and believes the denial is illegal by virtue of applicable state or federal law, he shall promptly submit a copy of the denied permit application together with a short statement of the reasons he believes he is entitled to a permit to the City Manager. The City Manager shall have the discretion to grant an exceptional permit waiving locational, time, and/or db(A) requirements, upon his determination that the applicant has made a substantial showing of legal entitlement. Any such exceptional permit shall be promptly reported to city council.

Section 26-45 Enforcement and Penalties.

Any person found in violation of this section is subject to a fine up to $100 for each infraction.

Section 4. Severability. The provisions of this Ordinance shall be severable. If any provisions of this Ordinance are found by any court of competent jurisdiction to be unconstitutional or void, the remaining provisions of this Ordinance shall remain valid, unless the court finds that the valid provisions of this Ordinance are so essentially and inseparably connected with, and so dependent upon, the unconstitutional or void provision that it cannot be presumed that City Council would have enacted the remaining valid provisions without the
unconstitutional or void provision; or unless the court finds that the remaining valid provisions, standing alone, are incomplete and incapable of being executed in accordance with City Council’s intent.
