Dear Jill and Gazebo Committee:

The Delaware City Historic Preservation (HPC) met in a publicly noticed meeting on June 9, 2020 to Approve your selection of the Wooden Gazebo for Battery Park in Delaware City.

The is to be 14' x 24' Cedar 8 sided Oval Double Roof Gazebo, made of Red Cedar as per specifications on submitted Spec. Sheet

The HPC reviewed the proposal with consideration of the factors required under Section 49-6a. *Alterations*, the Secretary of the Interior's Standards, and the intent of review process under Section 49-1.

Because the application is for a New structure within the historic district It is noted that there was considerable discussion in keeping the structure material as in kind to reflect the Historic nature of Delaware City. We thank you for taking such great care and time spent in your choices keeping this in the same Architectural Historic design to reflect the Historic landscape of Delaware City.

Thank you for your all of you efforts, time and cooperation with the Delaware City Historic Preservation Commission. We believe this will make a great addition to Battery Park.

Sincerely,

A handwritten signature in cursive script, reading "Lynn Dilliplane". The signature is written in black ink and has a fluid, connected style.

Lynn Dilliplane, Co-Chairman  
Delaware City Historic Preservation Commission
